Concrete mixer truck

Vehicle type & task

Key figures	Drum capacity, payload and drive are not quantified in the catalogue

Procurement, supply scope & terms

Version	Chassis, body and equipment according to the agreed specification
Terms	On request
Delivery	Date, handover location and transport as agreed
Binding scope	Only the expressly confirmed configuration and agreed scope of supply are authoritative

Enquiry scope

Unarmed vehicle or civilian work body; version and supply scope to be confirmed separately

Context & important notes

• The images are references, not evidence of stock or performance. Models, approvals, equipment scope and availability will be confirmed in the specific quotation.

• Technical figures not stated in the catalogue are not supplemented from images or similar vehicles.

For a specific enquiry

• Concrete transport task and required payload

• Required chassis and body specification

• Country of operation and actual transport or work task

• Required quantity and preferred delivery period

• Required equipment, documentation and handover conditions
