Scope boundaries	Transport, insurance, taxes, duties and destination-specific permits are included only if expressly agreed

Enquiry scope

Product and service scope to be confirmed individually; no armament

Context & important notes

• The number refers to the example vehicle content of the trial, not the number of packages ordered. The support scope is not fixed as a standard.

• The images show the supply portfolio and confirm neither a specific reservation nor current stock.

For a specific enquiry

• This trial or an adapted vehicle/system combination

• Number of packages or different vehicle quantity in the message

• Destination country, schedule and required support scope
