Your enquiry brief

The first step towards a suitable solution.

Requirements & contact details

Please provide the details you already know. Unknown items can remain blank initially. Complete digitally and save locally, or print and fill in by hand.

01 Name / company / organisation

02 Email and preferred contact method

Email

Preferred contact method

03 Product type / vehicle / system / reference

04 Quantity and potential follow-on requirements

05 Destination country and delivery location

Do not include identity documents, bank details or confidential documents in this initial brief. Additional documentation will be agreed separately.

Your enquiry brief

The first step towards a suitable solution.

Configuration & project context

Please keep entries brief. Further details can be coordinated through the personal enquiry process afterwards.

06 Technical configuration / standards / equipment

07 Intended use / end use

08 Required delivery timeframe

09 Additional requirements / documentation

This brief is neither an order nor a binding offer. It does not replace separately required documents or approvals. Scope, terms and availability are confirmed individually.
